

Love Rugby League? Subscribe to Superleague

New Zealand's Premium Rugby League Magazine

If you've ever wondered about publishing a magazine then here's a cautionary tale: there are 4500 magazines in New Zealand. Shops that stock 100 or even 500 magazines may find it difficult to stock YOUR favourite unless you ask them to do so. If, like us, you love your KIWI league then the best thing you can do to ensure that there is a New Zealand rugby league magazine is to subscribe. Help us to grow and cover more of your sport - and thanks, we appreciate it.
